

## RECENT MINISTRY OPPORTUNITIES

### REVERB - Glens Falls, NY

Again this year, Paul was in charge of the Glens Falls Reverb. Since the purpose of Reverb is to share the Gospel, we made a strong effort this year to help students attend who needed to hear the truth of Jesus Christ.

After getting some great feedback last year, we were able to make some upgrades and changes to the Reverb event this year. We added Sky Zone Trampoline Park as an option for the after-midnight activities and were able to drop the price of the early bird ticket. We sold out of the Sky Zone tickets quickly. A huge thank you to the WOL Bible Institute students and staff members and to the members of Perth Bible Church and Mountainside Bible Chapel who volunteered making Reverb possible! We had more than 100 people volunteer to help make Reverb possible!

As a result of generous financial gifts, we were able to offer a 50% discount to help students attend Reverb and hear the truth about Jesus' death, burial, and resurrection. At the Glens Falls Reverb, Josh Ely, the director of the WOL Lodge preached the Gospel to over 1,200 people. Thirty-three students made the decision to trust Christ as Savior. Praise the Lord! He does all things well!

### Youth Ministry Internship - Report

Here is a quick report from one of the YMI Interns serving in Massachusetts.

...

Guys, when I proposed reverb at church it didn't get the best reception, and last Sunday we didn't have anyone signed up. Today we hit he 20 student mark and 4 leaders. 3 of my students are unsaved from it of the youth group and I think there are a portion of the full priced ticket kids who are unsaved as well. We are taking 2 full vans, I'm pretty stoked for what God is doing in this youth group. In the past month is has gotten so much better. Please be praying that my messages dig deep into their hearts and that they would learn the Word so that they can teach others also!

## our schedule

- **North Regional Staff Conference**  
November 27th-29th  
Pottersville, NY
- **Speaking in chapel @ WOL Headquarters**  
December 4, 2018  
Pottersville, NY
- **WOL Christmas Event**  
December 4, 2018  
Glens Falls, NY
- **Speaking @ Faith Bible Student Ministry**  
December 16th  
Chestertown, NY

## Missions Conference @ Perth Bible Church

On November 3rd-4th, we participated in the Missions Conference at Perth Bible Church. On November 3rd, we were involved in a Coffee House and Skit Event with the missionaries. It was great to fellowship with the missionaries and see how God is working around the world.

Preaching @ Perth Bible Church

Paul was part of an impromptu skit @ Perth

On Sunday, Paul used 2 Corinthians 5 & 6 to help us focus on being an ambassador for Christ. Please pray for Perth Bible Church and the missionaries that they support.

## Impact of WOL Curriculum

One of Paul's responsibilities is to edit both the Olympians and Student Ministries Curriculum. Recently, we received some positive feedback as to how the curriculum is directly impacting the lives of students and children. Praise the Lord for the writers, editors, and teachers, who helped make this curriculum possible!

A young girl named Emily, writes out her personal application to the lesson; one area where her life needs a U-TURN.

I wanted to share a neat response from our Olympians based on an application we used from the lesson we did on "Jonah-God's Way" (#8) last week. The suggested application was to give each child 2 packages of M&M's—one for themselves and one to "show mercy" to someone else by giving the second one away. Had some neat responses last night when we asked how it went.

A girl shared with another homeschool friend who wasn't saved. The friend received Jesus. PTL!

Several shared that people had said thank you, which was an unexpected and unusual response from the recipients.

A boy shared that he gave it to his mother who is in process of divorce from father but she responded with a thank you. He then [unexpectedly] "shared his heart"—unsolicited—with others at our meeting and asked for prayer.

## FAMILY NEWS

October and November have been fun months for our family. Ciera lost her first tooth and celebrated another Gotcha Day on November 17th! The ground is covered in snow here in Schroon Lake and the first snowman of the year has already been built. For Thanksgiving, we had the chance to travel back into Ohio and to Papa and Grandma's house. When we got back to Schroon Lake, we put up the Christmas tree. Both girls put the star on together while sitting on daddy's shoulders. Tati is homeschooling both girls and they are learning to bake and cook as well. It is exciting to see how they crave the learning process. Tati continues to minister at church in the youth group and is impacting the lives of girls here in Schroon Lake.
