Praying for Nancy as she is calling on Christ to save her!.

Last week while we were out passing our invitations to church, we came across a retired school teacher named Nancy. She was washing her car as we approached her. I (Joe) gave her an invitation to church and asked her if she attended church. "No" was her reply. "I am not allowed." Nancy went on to tell us that she has Lupus and is going to die soon but that she wanted to serve Jesus so she could go to Heaven. We explained to her that our salvation doesn't come by serving Him but rather by trusting in Him and the work He did on Calvary. She invited us into her home and went on to tell us that the catholic priest told her she was not allowed to come to mass because of her illness. We did our best to show her the love of Christ and about 45 minutes later, she prayed and asked the Lord to save her. What a blessing to see. Please pray for Nancy that she will have the strength to visit one of our services. Please pray for wisdom for Amy and I so that we can minister to her.

Merry Christmas!!

We can hardly believe that it is Christmas time! With the weather being so hot, it really does not feel like Christmas time here in Oaxaca and we are thankful for the fact that we don't get any snow!.

We pray that each of you enjoy time with family celebrating the birth of our Savior. Please pray for all your missionaries that are away from their families during the Christmas season.

up and down in number in the church, but we praise the Lord for those who are faithful. We have had people visit and have seen some people saved as well. Please continue to pray for the Grace Baptist Church!

We would like to share a huge blessing with you, our prayer warriors and supporters. WE HAVE BEEN ABLE TO PAY OFF THE LAND!!! Praise the Lord for this blessing! We have already begun work on the road leading to the property and hope to begin construction early next year. Please pray that God will give us wisdom as we begin to build the mission base. Will you also pray about how you can have a part in the construction?

Amy and I would personally like to thank each of you for your involvement in our ministry. We appreciate the sacrifices made for the ministry in Oaxaca.

Please also know that we pray for you all often. We could not be here doing God's work if it wasn't for you all holding the ropes for us. We love you and thank the Lord for you!

Merry Christmas,

Joe and Amy Hendrigsman

Praising the Lord for this new 4-wheeler that was donated to the ministry!
