My Dear Friend,

2019 has already begun and there are many things to do to make this a great year. Please take the time to fill out and complete the 3-panel information sheet enclosed with this mailing. There are four things of importance on that page.

1. You can sign up for my FREE weekly Encouragement that goes each Thursday. It is filled with things to encourage you in this life.
2. If you can help with the cost of the transportation to Sierra Leone in in February what would be wonderful.
3. We need feedback on the calendar we sent you, so please take a moment and let us know your thoughts in that panel. They will determine whether we do it again next year.
4. We need to make sure our mailing list is current, so please take a couple of minutes and complete that for us. IF we do not get that back from you we will sadly be deleting those who do not respond from the list. Each time we do a mailing and get a returned letter it is God's money that is wasted. We want to be good stewards.

Yours for Jesus sake,

Dr. Dave Arnold

SIEZING THE MOMENT

One of the former Presidents of the United States wrote a book called, "SiezeThe Moment" that greatly impacted my life. Many of us are always looking to the future, which certainly has merit, however it just might be that the moment at hand that might be our finest hour.

In his book "Seizing The Moment" this former President details how he felt an inward urging to reach out to the leader of China. Many people around him thought it was not wise, because after all the American people will not understand making friends with a dictator. He went ahead with his plans and seized the moment that will live in history.

In the first chapter of his book, "The Real World" he tells us the setting and the secret to its success. While in the great hall of the people in Beijing, those many years ago he tasted the beginning of a new relationship between the United States and China. He quoted part of a poem in which "The Chairman" exhorted his followers to work for the victory ahead. In the poem he quoted, "So many deeds cry out to be done always, urgently. The world rolls on. Time passes. Seize the day. Seize the hour."

The Apostle Paul urges us to do the same thing in his letter to the church at Ephesus In Ephesians 5:15-16 he tells us, "See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil." He encourages us to be attentive, to walk circumspectly and to take advantage of each hour - to redeem the day.

It is good to have a vision of what you want to get accomplished in the coming year, but be careful to see the moment at hand as precious and fleeting.

Thank you for your help and love and your consistent giving to get the Gospel to the people of Sierra Leone, Africa.

They Died in The Service

Author Unknown

One Sunday morning, the pastor noticed little Johnny was staring up at the large plaque that hung in the foyer of the church. The seven year old had been staring at the plaque for some time, so the pastor walked up, stood beside the boy, and said quietly, "Good morning son."

"Good morning pastor" replied the young man, focused on the plaque.

"Sir, what is this?" Johnny asked.

"Well son, these are all the people who have died in the service," replied the pastor. Soberly, they stood together, staring at the large plaque.

Little Johnny's voice barely broke the silence when he asked quietly, "Which one sir, the 8:30 or the 10:30 service?"
