PHILIPPINES

2018 was an amazing year for the ministry here at Graceway. We are thrilled to share with you some of the highlights during its last few months. All these happened by the grace of God and because of your faithful partnership with us.

Next Generation Worship

Our young people of which most of them are teenagers have started a ministry recently. With the desire of reaching their schools with the gospel, they initiated this mission work. Next Generation Worship ministry is their own way of planting a work within the church. They consider themselves to be missionaries to fellow students in four public schools. They meet twice a month where the emphasis is evangelism and discipleship. To date there have been around 40 newcomers and regular guests. Most of them professed faith in the Lord and three of them followed water baptism already. Pray that their passion for souls will get more intense. These are our future leaders.

CHRISTMAS GIFT GIVING

Around 300 children were given individual gifts this Christmas. Some of the parents came also. It was again a great opportunity to share the gospel to them. We sent them home after feeding them with lunch. Many of these children come from very poor areas where our good news teams go every Saturday to minister. The smile on their faces that day is worth all the effort. Thanks for the generous people who shared some money to buy all the gifts. Many of them are starting to come back to church on Sundays.

Malolos, Bulacan Mission Work

Graceway Malolos celebrated its Second Anniversary last December. They moved to a better and bigger place. New families and individuals have been added to the work. Although Catholicism is strong in the area, souls are being saved. Slowly people are coming to the Lord. Pray that the Lord will do more saving this year and that Pastor Mark Matito and his wife Merawani will see the results of their labor. Pray that we can purchase a piece of land in Malolos where we can build a small church facility.

BAPTISM
