Dear Monclova Road Baptist Friends,

February was very busy and very impacting as Ken was in Australia from January 31 to February 11 and the Philippines from February 11-23. But first a story of grace right here in the USA.

January 6 found us at Agape Evangelical Chinese Church in Dayton Ohio. Closing his message, Ken gave the invitation. One man and one lady indicated that they received Christ as Savior. As Ken was counseling them, he invited "Teddy" the lady's husband to join them in the counseling. At the end Ken looked at the man who received Christ and said "You are now my brother". Ken looked at Teddy's wife and shared "You are now my Sister". Teddy did not receive Christ but on Ken's way out to my van Teddy followed me and shared with me that "Maybe when you come back in two months, you can call me your brother too." I was back on March 3. Teddy and his wife were there. At the invitation, Teddy received Christ as Savior! We had a great time during the counseling time. At the end, Ken said "You are now my brother" Both he and his wife smiled! Thank you for praying that God would work in hearts.

Our time in Australia was exciting as we spoke four times to Youth Pastors and Leaders Conference, then four times to the Australia WOL staff (In the picture-all with black shirts). Martin Garcia, our WOL Australia Director, and Ken team taught at a National Youth Pastors Conference. (See the picture of Ken with three Youth Pastors demonstrating Small Group Discipleship.) We were then in two churches, one on Friday night to Egyptian young adults and teens and then on Sunday we spoke in the morning at a multicultural church. We then did training with their volunteer staff that afternoon. Wow what a reception. Thank you for praying for impact of leaders in Australia.

In the Philippines, we spoke twice to over 100 pastors on keeping their message focused on Evangelism. This was not just on how to weave the Gospel into their messages but how our lifestyle reflects the Gospel and how to train their people to evangelize. We then taught the Local Church Missionaries (4 of the 20 are in the picture below) from three countries over two days. We then spoke at Mountain View Bible Church adult Sunday school near the WOL campus. Monday-Friday we ministered to 42 missionaries, training, equipping and confirming them for three countries in the Pacific Rim. Thank you for your impact of four countries by praying for our teaching to be practical.

In both Australia and Philippines, it was not just speaking, but also one on one interactions during meal times, in their homes and times of counseling. Thank you being part of the team to impact nations that are impacting other nations because of your encouragement, gift of \$100.00, and prayers for us in February.

Please pray for us in late March and early April as we:

- Minister in 3 churches
- Minister weekly coaching nine missionaries
- Lay out a potential coaching plan for international Missionaries equipping coaches from their continents.
- Lay out a tentative schedule for Rwanda and Kenya in July.

Love Ya,

Ken and Pam Dady
