

Packing Plant Operator

MSM Milling is one of Australia's most modern integrated oilseed crushing, refining & packing facility based in Manildra NSW, within a short drive to the cities of Orange and Parkes.

Our processing operation transforms canola seed purchased directly from farmers into value added oil and meal products, which are sold to major food manufacturers, distributors, stock feeders and end users both in Australia & internationally.

MSM Milling has been in operation since 1991 and remains a privately owned Australian company grown on family values. Our joint venture partner The Manildra Group is recognised worldwide as a leader in the adoption of new technologies and market opportunities.

MSM Milling is currently seeking a **Packing Plant Operator** to join our Manildra based oil packing team, packing oil into Drums, Bag-in-box, PET and other formats..

Your main responsibilities will include:

- Operate packing equipment including drum filling machines, bag-in-box filling machines, carton erectors, robotic palletisers and forklift equipment.
- Perform troubleshooting on packing equipment
- Operate plant safely using the interface panels on the equipment.
- Monitor the operation of plant equipment and systems to minimise downtime, solve problems and identify opportunities for improvement
- Adhere to and enforce all applicable company safety, health, quality and environmental policies and procedures
- Work collaboratively with your fellow workers to safely achieve the production for the shift.

To be considered for these role you will:

- Have good oral and written communication skills combined with the ability to understand and perform some mathematical calculations
- Have a willingness to learn computer based systems
- Have eagerness to learn the operation of the equipment
- Hold a driver's licence with access to reliable transportation
- Have excellent time management skills.
- Hold a forklift licence
- Have the ability to work under pressure to meet production requirements
- Be flexible to meet the demands of a growing international business.

As a person you will:

- Have a keen eye for detail and high standards of work
- Be a self-starter with natural problem-solving skills
- Be analytical with a curiosity to continue learning
- Be a team player who can communicate effectively with all departments & levels of the organization
- Have relevant experience in packing or manufacturing operations.
- Be available for a 5-day a week, Day Shift roster.

Applications close 17th May 2019
