MULTIPLY CINCINNATI

TOY DRIVE UPDATE

We give Jesus praise for an outreach that was exceedingly, abundantly, above any of our expectations! We had to close down registration because of the overwhelming request for help from families in our city. We ended the evening with well over 400 guests in attendance. We presented the story of Christ and witnessed 10 professions of faith and several returning families.

On Sunday Dec 17th, we opened our doors to the community for the purpose of mercy ministry & gospel proclamation.

New Church Plant Update

On November 18th, in spite of a powerful storm that knocked out power across the city, over 30 individuals gathered to hear the vision of multiplication in our first interest meeting for our church plant in the northern part of the Cincinnati Metro Area. A new small group made up of the launch team members and prospects will begin this month in Sharonville, OH. If you would like to help cover some of the expenses of this meeting or have any questions about our next plant please email zeb@revivecitychurch.com.

Leadership Pipeline

This past Saturday we began our leadership pipeline training that is geared toward men & couples who have expressed a desire for ministry leadership. We have affirmed their potential and formally began a three year process to prepare them for pastoring/planting. They have 2-3 hours of online training to complete each week along with meeting twice a month as a group to discover, develop, & deploy the principles they are learning. Please pray for these 5 men & wives as they progress and seek God's will & direction. We have already identified potential neighborhoods/cities in the metro area where we would like to see new plants launched.

Prayer Requests

- **Grove & McNulty Family**- 4 year-old Myla McNulty was killed in a tragic car accident on New Years day. Myla had visited our church several times with her mother Melissa & grandmother Concetta who is a faithful member.
- **15 Passenger Van or Shuttle**- Our current van needs to be retired to moving our trailer exclusively. We continue to meet new individuals who depend on transportation to our gathering.
- **New iMac for Multi-media production**- Central to our music and preaching ministry is the computer that runs the projector.

Thank You/Praise Report

- **Thanksgiving outreach volunteers, Roger Combs & Family**
- **Outdoor signage and banners donation by First Baptist Church LaCenter, KY**
- **Christmas gift/offerings from First Baptist Church Columbia, TN & friends at Chattanooga Valley Baptist Church**

*Thank you
Kentucky Baptist
Convention for all
of the backpacks!*

The Lord gave us favor from so many places. Cincinnati Christian University allowed us to meet in their chapel free of charge. We partnered with the ballet ministry of City Gospel Mission. Big thank you to individual donors & the Batte Family from Florence Baptist Church.
