HOPE FOR MALAWI

May 8, 2019

Dear Friends & Partners,

It is with a grateful heart; I write you this letter. Your faithfulness coupled with many prayers and offerings have kept this Malawi Ministry afloat for almost 20 years. We have witnessed tremendous results of hundreds of souls saved and numerous children rescued in our orphanage and life sustaining supplies distributed in abundance to the many churches, orphanage, bible college and village people – made possible by all of you.

My main purpose to personally reach out to you at this time is to express my burden to you about a need we have pending funds. We have a packed 40-foot container full of necessary items given by many of you and waiting to be shipped to Malawi. The cost is steep – but a lot of these items cannot be bought in Malawi and if so, the cost is outrageous. With God's help working in the hearts of many we can make it happen to raise enough money to ship this vessel soon. Every little bit helps – when we put it all together, we will have reached our goal.

Bro. Gentry now 83 years old finds it difficult to travel the roads church to church to collect funds. Can you help me encourage the "Beggar" by raising enough money to launch this container by the end of May when he returns from Malawi? This will be our thanks to him for all the years he has sacrificed to meet the needs of the Malawian people.

No pressure to help – only by Gods leading should you feel compelled to respond to this plea. May God enrich each of you with your every need emotional, spiritual and physical to be supplied and may the light of His countenance shine upon you and give you His peace. Thank you for always responding to the beggar's plea. It will be worth it all when we see Jesus!!

Sincerely with love,

Alice Gentry

(Helpmeet for the Beggar) GG

P.S.

The container will:

1. Put food in to the hungry bodies.
2. Clothing for the naked.
3. Provide house shelter from the rains and predators.
4. Give blankets to keep warm.
5. Supply farm tools to cultivate gardens/ Provide vehicle parts.
6. Provide medicine for sick and other medical supplies.
7. Supply bibles, literature, Sunday School materials, Bible School helps.
8. School materials for children and teachers.
9. Furniture for baby building – infants.
10. Suits for Pastors, etc., etc.....

P.S.S.

A world of thanks to Bro. Keith & Sandra Hutchinson, pastor of Freedom Baptist Church in Asheville, NC for their tremendous outreach collecting funds for the orphanage November 2018 – February 2019. Ms. Thandie our orphan's director and her two sons contributed greatly and were a blessing to many – a hearty thanks to all newcomers and regulars for helping them cover the needs of the Children's Home.
