

Week 5 – The Wisdom of God

Family Time

Big Idea: GOD'S PERFECT KNOWLEDGE ALWAYS LEADS TO THE BEST DECISIONS.

Wisdom is the application of knowledge to real life.

Key Verse: ROMANS 11:33

Oh, how great are God's riches and wisdom and knowledge!

Set up the video for your family: *"We're going to watch a video that tells a story to teach us something about God. Let's pay attention and see if we can discover what the story says about Him."*

Talk: What good came as a result of the car accident? What happened to the man walking on the sidewalk due to the accident? What would he go on to achieve with his life?

What does it mean that God is wise?

How is God's wisdom different from our wisdom?

We are called to grow in wisdom and make increasingly better decisions. What can a person do to gain God's wisdom?

Do: Questions for the evening in the car on the way home from school or dinner time.

- There are at least three good ways we can respond to God's perfect wisdom:
 - (a) thank and worship our awesome God,
 - (b) ask Him to make us wise, and
 - (c) trust Him when something bad happens.

Which one of these is easiest for you? Why?

- What is a situation you are currently facing where you need more of God's wisdom?

As a family, work on a difficult puzzle without looking at the picture. When the time is right, in your own words say, "God's wisdom is perfect. He always sees the big picture and He makes sure all the pieces fit together. We struggle because we don't have perfect knowledge. God is calling us to learn from Him to gain more wisdom, and He is calling us to lean on Him by trusting in His wisdom."
