We want to apologize for the lateness of this update, thank you for your patience. The past several months have been challenging. On the advice of our pastor and my doctor we cancelled most of our spring meetings so that I could deal with my health/ back issues as well as take care of some pressing family matters. During this time I have been able to get some much needed rest along with several spinal decompression treatments. This process has helped relieve the pain as well as getting me back to a more functioning status. ***I would greatly appreciate your continued prayers regarding this matter.***

Despite the interruption in our meetings schedule God has blessed our furlough with a number of opportunities to share the gospel as well as our burden for the Albanian people and the regions beyond.

ALBANIA AND BEYOND

We are so excited about what God is doing. The ministry in Albania, Macedonia and other countries where we have ministry projects and workers continues to move forward. God has blessed us with of number of first time

missionary interns for training and we are looking forward to seeing what God will do in the lives of these who have surrendered to full time ministry.

Please pray for me as I head back to Albania for the summer. Leaving June 5th!

KURDISTAN MISSIONS

I had the opportunity to meet with Ralph and Anula and I am truly amazed at what all God is doing in Kurdistan. The weekly church Bible study has grown numerically and spiritually. They now have the Beshang, Diyar and Dilshad families, these are new attendees coming to the English center.

This has allowed ample opportunity to share the gospel with these dear people. ***Please pray for the salvation of these families.***

The Hydib family was living in the city park. They are one of thousands of refugee families from northern Iraq who fled due to ISIS occupation. They were happy to receive the gospel literature. Engaging them in conversation they began to share of the atrocities that took place giving testimony of their escape to safety. ***Please pray that the knowledge of what Jesus did for them will soon become a reality in their lives.***

Thank you for partnering with us!
